

A woman is shown from the chest up, lying down with her eyes closed in a relaxed state. She is wearing a light-colored, possibly white, garment. The background is a blurred interior space, likely a spa or wellness center, with warm lighting and some decorative elements. The entire image is covered with a semi-transparent purple overlay. In the top left corner, there is a green palm frond. In the bottom right corner, there is a green monstera leaf.
